# Diesel Registration

The screenshot displays the ERP User Cockpit interface in a Windows Internet Explorer browser. The browser's address bar shows the URL `http://180.150.249.35:8000/macstyle/usercockpit.asp`. The page title is "Welcome to Patel Infrastructure Pvt. Ltd." and the main content area is titled "Fuel/Diesel Report".

On the left side, there is a navigation menu with the following items:

- Purchase Management
- Finance Management
- HR Management
- eITM-InfoTechDept.
- Construction
- Maintenance
- Project
- SITManagement
- ConstructionLogs
- DieselMgmt
  - DieselAuthorizationSlip
  - DieselIssueSlip
  - DIESELREG** (highlighted with a yellow box and an arrow pointing to it)
  - PetrolPumpRcv

The main content area contains three sections:

- Find Fuel Stock**: Includes a "Select Fuel" dropdown (set to Diesel), a "Select Site" dropdown (set to Ahmedabad Office), "FromDate" (03/08/2011) and "ToDate" (03/08/2011) fields, and a "Show Report" button.
- Find Machine Average**: Includes a "Select Fuel" dropdown (set to Diesel), a "Select Machine/Vehicle" dropdown (set to -), "FromDate" (03/08/2011) and "ToDate" (03/08/2011) fields, and a "Show Report" button.
- Find Supplierwise Consumption**: Includes a "Select Fuel" dropdown (set to Diesel).

On the right side, there are two panels:

- My Reminders**: Lists various alerts such as "Missing Data Alerts", "WorkEscalation Alert", "Master Entry Alerts", "EmployeeTransfer = 2", "CRM Workdone Alerts", "SCM Workdone Alerts", "HRM Workdone Alerts", and "FRM Workdone Alerts".
- My Notes**: A section for user notes.
- My Todo List**: A section with "Add" and "Show" buttons.

At the bottom of the browser window, the taskbar shows the "start" button, several open applications (Skype, ERP User Cockpit, Diesel Management), and the system tray with the time 15:21.

# Fuel Stock

The screenshot displays the ERP User Cockpit interface in a Windows Internet Explorer browser. The main content area is titled "Fuel/Diesel Report" and contains three sections: "Find Fuel Stock", "Find Machine Average", and "Find Supplierwise Consumption".

Annotations with arrows point to the following elements:

- Select Fuel Type:** Points to the "Select Fuel:" dropdown menu in the "Find Fuel Stock" section, which is currently set to "Diesel".
- Select Site:** Points to the "Select Site:" dropdown menu in the "Find Fuel Stock" section, which is currently set to "Dhandholi".
- Select Date:** Points to the "FromDate:" text box in the "Find Fuel Stock" section, which contains "1/6/2011".
- Click:** Points to the "Show Report" button in the "Find Fuel Stock" section.

Other visible elements include a left sidebar with a "MobileERP" logo and a navigation menu (Purchase Management, Finance Management, HR Management, etc.), a top navigation bar with "Welcome to Patel Infrastructure Pvt. Ltd.", and a right sidebar with "My Reminders" and "My Todo List". The bottom of the screen shows the Windows taskbar with the Start button and several open applications.

# Machine wise Report

The screenshot displays the ERP User Cockpit interface within a Windows Internet Explorer browser. The browser's address bar shows the URL `http://180.150.249.35:8000/macstyle/usercockpit.asp`. The page features a navigation menu on the left and a main content area with three report sections: "Find Machine Average", "Find Supplierwise Consumption", and "Find PetrolPumpwise Issue".

Four yellow callout boxes with black arrows indicate the following steps:

- Select Fuel Type**: Points to the "Select Fuel" dropdown menu in the "Find Machine Average" section, which is currently set to "Diesel".
- Select Machine**: Points to the "Select Machine/Vehicle" dropdown menu in the "Find Machine Average" section, which is currently set to "-".
- Select Date**: Points to the "FromDate" text box in the "Find Supplierwise Consumption" section, which contains the date "03/08/2011".
- Click**: Points to the "Show Report" button in the "Find Supplierwise Consumption" section.

The Windows taskbar at the bottom shows the Start button, several application icons, and the system tray with the time "16:32".

# Supplier wise Consumption Report

The screenshot displays the ERP User Cockpit interface in a Windows Internet Explorer browser. The browser's address bar shows the URL `http://180.150.249.35:8000/macstyle/usercockpit.asp`. The page contains several report filters:

- Select Site:** A dropdown menu with "Walmara Jau Office" selected.
- FromDate:** `03/08/2011` and **ToDate:** `03/08/2011`, with a **Show Report** button.
- Find Machine Average:** Includes a **Select Fuel:** dropdown (set to "Diesel"), a **Select Machine/Vehicle:** dropdown (set to "-"), and date fields for `03/08/2011` with a **Show Report** button.
- Find Supplierwise Consumption:** Includes a **Select Fuel:** dropdown (set to "Diesel"), a **Select Supplier:** dropdown (set to "PIPL"), and date fields for `1/6/2011` with a **Show Report** button.
- Find PetrolPumpwise Issue:** Includes a **Select Fuel:** dropdown, a **Select Petrol Pump:** dropdown (set to "Ajitkumar Desai"), and date fields for `03/08/2011` with a **Show Report** button.

Annotations with yellow boxes and black arrows point to specific elements:

- Select Fuel Type:** Points to the "Diesel" dropdown in the "Find Machine Average" section.
- Select Supplier:** Points to the "PIPL" dropdown in the "Find Supplierwise Consumption" section.
- Select Date:** Points to the "1/6/2011" date field in the "Find Supplierwise Consumption" section.
- Click:** Points to the "Show Report" button in the "Find Supplierwise Consumption" section.

The Windows taskbar at the bottom shows the Start button, several application icons (including Internet Explorer, ERP User Cockpit, and Microsoft PowerPoint), and the system tray with the time `16:48`.
