

Fixed Royalty Partner

Sell all software & services under YOUR brand name ·
Royalty agreement · No upfront licence fee

Fixed Royalty – From **\$1,500 /**
month (min. 12 months)

Royalty Partner Offer

- Full white-label rights – sell as your own brand
- Access to complete AI ERP TicketingOS software suite
- Resell all modules: ERP, AI agents, TicketingOS, industry solutions
- No revenue sharing – you keep 100% of customer payments
- Fixed monthly royalty (no percentage of sales)
- Dedicated demo & sandbox environments for your team
- Partner portal: lead management, sales kit, training

Royalty Agreement Highlights:

- ✓ Fixed monthly fee (based on region / expected volume)
- ✓ No upfront licence cost – start with low commitment
- ✓ Includes all updates, support & AI model upgrades
- ✓ Cancel with 60 days notice – no lock-in beyond 12 months
- ✓ Protected territory (optional exclusivity add-on)

Partner Benefits

- Sell under your own company name & logo
- Ready-to-use sales kit & client portal
- Co-selling support from SoftRobot experts
- Brand & copyright protection assistance
- 24/7 technical customer support (for you & your clients)
- Ideal for: IT consultancies, system integrators, BPOs, group of companies
- Start your own AI software company with zero product development
- Recurring revenue: AMC renewal commissions built-in

Who should apply?

Existing ERP partners, management consultants, IT firms, and entrepreneurs who want to launch their own AI brand without millions in R&D.

 Royalty based on monthly fixed fee – no hidden costs

- Minimum royalty agreement term: 12 months. Custom royalty plans available for multi-country or enterprise partners.
- Includes full source code (obfuscated) access + white-label deployment guide. Support and upgrades during active royalty period.
